PLANET GUARDIAN DRAGON

Il suono del loro volo
si sente nel vento,
le loro squame brillano come pietre preziose.
Il calore del loro fiato incute timore perché
il respiro di fuoco è pronto in ogni istante.
I draghi.. non solo grandi bestie terrificanti,
ma anche impavidi creature,
cavalieri nello spirito, pronti a combattere
per quello in cui credono,
per difendere coloro che amano.
